## RESIDENT PRESENTERS

---

TBD

## DISCLOSURE POLICIES & ACCREDITATION

As a program jointly provided by The Aesthetic Society and FSPS, we must ensure balance, independence, objectivity and scientific rigor in our educational activities. All planners, presenters and faculty members are required to disclose all relevant financial relationships with commercial interests in advance of the activity. Anyone who refuses to disclose will be removed. All disclosures are reviewed by The Aesthetic Society & FSPS. Conflicts of interest are identified and mitigated in advance of the activity.

All planners, presenters and faculty members' disclosures will be provided to the audience in advance of the activity and via slides. Additionally, all presenter disclosures will be announced verbally.

Additionally, if any unapproved or off label use of a product is to be referenced in a CME program presentation, the presenter is required to disclose that the product is either investigational or it is not labeled for the usage being discussed. The Aesthetic Society & FSPS shall convey any information disclosed by the presenter to the CME program audience prior to the activity. FSPS does not allow commercial interests to influence the planning of our educational activities. The Aesthetic Society & FSPS adhere to the ACCME Standards for integrity and independence.

**Accreditation:** This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The Aesthetic Society and Florida Society of Plastic Surgeons.

The Aesthetic Society designates this live activity for a maximum of 17.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Of the 17.25 AMA PRA Category 1 Credits, 1 has been identified as applicable to patient safety. ▲

**This activity will address the following ACGME/ABMS competencies:**

- Patient Care
- Procedural Skills
- Medical Knowledge
- Systems-Based Practice

Jointly provided by  
The American Society for  
Aesthetic Plastic Surgery, Inc.

## 2024 PROGRAM OBJECTIVES

At the completion of this CME activity, registrants will be able to:

- Comply with and take advantage of the new Florida laws affecting plastic surgeons and the specialty that have been enacted over the course of 2024,
- Discuss and evaluate the latest data related to BII and ALCL,
- Discuss presenters' research projects, the results, and the potential application to plastic surgeons' practices,
- Identify and evaluate the latest techniques and technology in face, brow and neck lifts,
- Analyze and identify facial injection techniques and injectables,
- Review current body contouring techniques and technology to increase safe patient outcomes,
- Discuss the safety and efficacy of BBL surgery to improve patient outcomes.
